About me

Besides a translator, I am a father of two daughters, Bente (6) and Mara (4). I like to read (a lot), especially about World War II, the Vietnam War and history in general. I'm an avid sports fan and I like to visit a football game with my friends every now and then.

When I was abroad during my studies, Portugal and especially the city of Oporto, stole my heart – so I go back as often as I can. Besides reading I am addicted to music – I've been playing bass in a band for almost 20 years - my work day just isn't complete without listening to music. I'm also a huge movie and TV series fan – among my favourites are mainly historic series like Da Vinci's Demons, Marco Polo, Ripper Street and Black Sails, but I also love more modern series like Gomorrah and Narcos.
